ETHICAL INTERPROFESSIONAL CARE

Case Management-Past, Present & Future

Professional Development Specialist, Healthcare Leader, Nursing Advocate, Author & Philanthropist :

Sue Johnson

Sue Johnson is Principal of RN Innovations LLC, an education management company in Fort Wayne, Indiana. She has over 20 years' experience in nursing professional development, has served as a member of the ANPD Board of Directors, and currently is Vice-Chair of the Commission on Accreditation for Nursing Continuing Professional Development for ANCC. She is the author of four leadership books, numerous articles in professional journals, and contributing author to the Core Curriculum for Nursing Professional Development 5th Edition and Leadership in Nursing Professional Development: An Organizational and System Focus.

Objectives:

- State three historic role requirements for case managers
- Compare case management process and nursing process
